2011 TPG MT. Vernon Marine  
 (dba: Mt. Vernon Barge)

**Full-size, Full-service Drydock  
 At the Port of Indiana - Mt. Vernon**

Mount Vernon Barge Service has the only full-size drydock between Louisville and Paducah. It's a 1200-ton workhorse that we invite you to put to the test. Complete 24/7 harbor service. Steel fabrication. Barge cleaning. In-harbor topside repair. And more. Anything less just won't float with us. Or with you.

We're a member of the growing Transmodal Performance Group (TPG) of companies. With expanded services, state-of-the-industry technologies and the experience and manpower needed to help you get from port A to port B – better and faster than ever before.

Call Wayne McDonald, Chief Operations Officer, for more information. Or email him directly at [w.mcdonald@mvbargo.com](mailto:w.mcdonald@mvbargo.com).

**The Shortest Distance Between Two Ports.**

Ohio River  
 Mile 826.5 – 830.7

**High Capability Stevedoring Operations  
 in the Port of Indiana - Mt. Vernon**

Mt. Vernon Barge Service operates two Manitowac 3900 cranes to load and unload your bulk cargo at the Port of Indiana - Mt. Vernon. We have extensive experience with grains, coal, coke, cement, pig iron, and scrap metals. We also offer a complete, 24/7 harbor operation. Anything less just won't float with us. Or with you.
